Office of the Secretary of State
Michael J. Connolly, Secretary

To The Reader:

I am happy to present this publication of election results, which takes advantage of new printing techniques involving computerized type setting and the continued combination of primary and election results on the same page.

In addition to the 1988 presidential primary, state primary and general election results, this book contains combined tables of enrollment, registration, and turnout for each community in the commonwealth.

In terms of background, after the primary and election each community sends the Secretary of States office an official report detailing how many votes were cast for each candidate for each office and every question on the ballot. This publication is then prepared from these reports.

Write-in votes and stickers are consolidated and listed under "all others". Only those candidates who won or made significant impact are listed by name.

I'm always looking for ways to improve how elections are conducted and in the manner results are reported in Massachusetts; including the format of this publication. I'd be happy to have any suggestions you may wish to offer, while hoping that this volume will be of easy use to you.

Sincerely,

MICHAEL J. CONNOLLY
Secretary of State

QUESTION 1

Referendum Petition On An Existing Law

Do you approve of a law summarized below, which was approved by the House of Representatives on May 20, 1987, by a vote of 93 - 58, and approved by the Senate on May 20, 1987, by a vote of 31 - 8?

SUMMARY

The law provides a salary increase, effective January 7, 1987, for the members of the legislature and certain constitutional officers of the Commonwealth.

Beginning at a base salary of $30,000, each member of the legislature will receive a salary increase under the law equal to the compounded percentage increase in the salaries of full time state employees who are subject to collective bargaining agreements between the Commonwealth and the ALLIANCE, AFSCME - SEIU, AFL - CIO in effect between January 5, 1983 and January 7, 1987. Thereafter the salaries of each member of the legislature will be increased by the same percentages as the salaries of full time state employees subject to the collective bargaining agreements.

The law further provides that members of the legislature holding leadership positions and committee chairmanships will receive an annual sum in addition to their salary. This additional amount will vary from $7,500 to $35,000 depending upon the particular position the member holds. The law also increases the salaries of certain constitutional officers. Under the law the salary of the governor is set at $85,000; the salaries of the lieutenant governor, state secretary, state treasurer and the state auditor are set at $70,000; and the salary of the attorney general is set at $75,000.

Any individual may waive his or her salary increase under this law. Any amount so waived shall not be deemed regular compensation for the purposes of computing any such person's benefits and shall be exempt from state taxation.

QUESTION 2

Law Proposed By Initiative Petition

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 3, 1988, by a vote of 24-123, and on which no vote was taken by the Senate before May 4, 1988?

SUMMARY

The proposed law would repeal state law requiring that the wages, including payments to health and welfare plans, paid to persons employed in the construction of public works be no less than the wages paid locally under existing collective bargaining agreements and understandings, or by the municipality, for the same kind of work. Under the proposed law, the Commissioner of Labor and Industries would no longer set wage rates for such work or classify jobs.

The proposed law would also remove the Commissioner of Labor and Industries' authority to set the wage rates of employees of contractors who move office furniture and fixtures for the state or a county, city, town or district, and remove the Commissioner's authority to set the wage rates of operators of vehicles and other equipment engaged in public works.

The proposed law would not change the way wages are set for laborers employed by the state Department of Public Works and the Metropolitan District Commission.

QUESTION 3

Law Proposed By Initiative Petition

Do you approve of a law summarized below, *which was disapproved by the House of Representatives on May 2, 1988, by a vote of 2 - 150, and disapproved by the Senate on May 3, 1988, by a vote of 0 - 34?*

SUMMARY

The proposed law would require the Commissioner of the Department of Food and Agriculture to issue regulations to ensure that farm animals are maintained in good health and that cruel or inhumane practices are not used in the raising, handling or transportation of farm animals.

The Commissioner would issue regulations, effective within four years after passage of the proposed law, about the surgical procedures used on farm animals, the transportation and slaughter of farm animals, and the diet and housing of those animals. The Director of the Division of Animal Health could issue exemption permits for a period of time up to one year and one half to any farmer.

Under the proposed measure, an unpaid Scientific Advisory Board on Farm Animal Welfare comprised of veterinarians and animal scientists would also be established within the Department of Food and Agriculture. The Board would examine animal agricultural practices, issue for publication certain reports on farm practices, and make non-binding recommendations to the Commissioner about specific regulations. If appropriated by the legislature, the Board may allocate an annual sum of not more than ten cents per Massachusetts citizen to assist farmers in adopting methods which are consistent with the purposes of this law.

The Director of the Division of Animal Health would be responsible for enforcing regulations issued as a result of this proposed law. Persons who violate the new law would be punished by a fine of up to $1,000.

QUESTION 5

County Charter Commission

In the County of Barnstable

Shall an act be passed by the general court in the year nineteen hundred and eighty-eight entitled "An act relative to a charter for the county of Barnstable", be accepted?

SUMMARY

Acceptance of the proposed Home Rule plan by a majority of the voters of Barnstable County will create a new form of county government under which Barnstable County will be governed by an elected fifteen member Assembly of Delegates and an elected three member Board of County Commissioners.

The Assembly of Delegates will consist of one member elected for a two year term by and from the voters in each of the fifteen municipalities of the County. The legislative powers of the County as exercised by resolution or ordinance will be vested in the Assembly. Votes of the delegates to the Assembly will be weighted according to the population of the municipality they represent. The delegates shall elect from its own number a Speaker and Deputy Speaker and shall also elect a person not a member of the Assembly to serve as clerk. Approval authority over the annual operating and capital outlay budgets for the County is vested in the Assembly of Delegates.

The executive powers of Barnstable County will be exercised by a three member Board of County Commissioners elected at large for staggered four year terms. Such powers include the preparation of annual operating and capital outlay budgets for submission to the Assembly of Delegates and the Advisory Board on County Expenditures, supervision of the care and custody of all county property, institutions and agencies, and oversight of the collection and expenditure of county funds. The Board shall have appointive powers over generally all county departments and shall appoint a County Administrator to serve as chief administrative officer of the county to exercise general day to day supervision of all county agencies.

The County Sheriff will continue to be elected at large as provided by law. The positions of County Treasurer and Register of Deeds will be filled by appointment by the County Commissioners after each position is filled by election one more time. Municipal petition, citizen initiative and referendum procedures shall be available to the voters of the County.
